

10/9/2020 Email:

You are receiving this email from the Pennsylvania Department of Environmental Protection (DEP) because you have previously expressed interest in the Ridge Run PFAS HSCA Site located in East and West Rockhill Townships, Bucks County.

UPDATES:

- DEP and its contractor, Tetra Tech, Inc., continue to maintain filtration systems and provide bottled water deliveries to those homes where combined concentrations of PFOS and PFOA exceed EPA's Health Advisory Level (HAL).
- Beginning Monday, October 12, 2020, a Tetra Tech Subcontractor, Eichelbergers, Inc., will begin drilling additional monitoring wells in the area to enhance our understanding of the location and movement of PFAS in groundwater for this site. This work is expected to last approximately 4 weeks. Other Subcontractors that you might see on Site include Earth Data Northeast, Inc. and Elk Environmental Services, Inc.
- As of March 13, 2020, DEP's Southeast Regional Office remains closed as part of Governor Wolf's announced COVID-19 mitigation measures. DEP staff are teleworking and have access to e-mail and voicemail. Please respond to this email with any questions that you have.

DEP continues to update its project website at <http://dep.pa.gov/ridgerun>

If you would like to be added to this distribution list, please contact RA-EP-SEROECB@pa.gov . Please include "Ridge Run Updates" as the subject of your e-mail.

Thank you for your continued interest in DEP's work at the Ridge Run PFAS HSCA Site.

Sincerely,

Colin R. Wade | Environmental Protection Specialist
Environmental Cleanup and Brownfields
Department of Environmental Protection
