

January 9, 2012

Dear East Rockhill Resident,

Happy New Year! One of the great benefits of being in East Rockhill's Trash District is that you are able to participate in the **MyRepublicRewards** program, powered by **Recyclebank**. This program allows you to earn points for your recycling efforts. These points can then be redeemed for coupons and discounts at many stores locally, nationally and on-line.

Residents have already received the new cart with the green lid for recycling. Republic offers single stream recycling which means you do not have to sort your recycling. Simply mix all recyclable materials like paper, cans, glass and cardboard in the cart.

In the next couple weeks, you will receive a separate mailer with specific instructions regarding how to register your account with **MyRepublicRewards**. The mailer will also include your individual PIN number. Once you receive the mailer and PIN, register your account at MyRepublicRewards.com and click the link for [Register Today for Recyclebank](#).

East Rockhill residents will use a "Self Reporting" model of the program. Once you register your account, earning points is simple. Every time you put your recycle cart out for collection, you can report that you recycled. Report your recycling activity each week at Recyclebank.com or call Recyclebank at 1-866-784-0081. You will earn points every time you report your recycling activity and, each month, you will earn points based on the total weight of the recycling that was collected in the Trash District for the month.

So use your new recycling cart, look for the mailer in a couple weeks and register your account.

Then Enjoy the Rewards!

If you have any questions, please call our Customer Service Department at 215-723-0400.

Thank you!
