Conditions & Regulations

Each individual, group or organization requesting consideration for a Park Use Permit must complete this application. No reserved use of Township facilities is authorized until such time that a Park Use Permit has been issued. Any violation of the conditions and regulations shall immediately invalidate any permit issued.

- ◊ The Township will make assignments as equitably as possible so that the greatest number of people will be served. It is the policy of East Rockhill Township to make its fields available to all groups and organizations representing Township residents. The Township shall assign all use of fields and reserves the right to close fields at its sole discretion.
- ◊ Teams/organizations applying for field/facility use must submit the proposed schedule of games, tournaments, and practice time with the application and notify the Township of any changes to the schedule.
- ◊ Teams/organizations must provide proof of insurance coverage listing East Rockhill Township as an additional insured submitted with the application.
- ◊ Per current Resolution a **non-refundable park use fee** for park reservation is as follows:

· 1 to 25 people at the event	\$ 35 per day
· 26 people and over at the event	\$ 75 per day
· Field Reservation	\$ 150 per month per field
· Annual Field Reservation (<i>with agreement</i>)	\$ 500 per field
· Penalty for Use of Athletic Field w/o permit	\$ 200 per field/incident
· Security Deposit per event or field	\$ 100 separate check <i>payable to East Rockhill Township</i>
- ◊ The security deposit shall be returned via first class mail upon completion of the activity unless damages or expenses associated with the activity are assessed against the security deposit at the discretion of the Township. The team/organization or individual’s liability is not limited to the amount of this fee. Applicant shall assume expenses incurred by the Township.

By signing below, I, as an individual or as a duly elected or authorized individual of said team/organization certify that I/we are in compliance.

- To assume all risks in connection with the use of the facilities requested and to hereby release, absolve, indemnify and hold harmless the Township of East Rockhill and its employees from any and all claims and all costs, damages, legal fees, and any other expenses reasonably incurred which arise out of the authorization to use the facilities of the Township. We understand this request and we agree to be legally bound hereby.
- That the responsibility for carrying appropriate medical plans, including hospitalization, lies with our team/organization and/or participants.
- To adhere to the East Rockhill Township Park Rules and Regulations, including no alcoholic beverages.
- To agree to inspect all playing surfaces prior to and during all periods of use and to immediately discontinue use if at any time we consider the facilities unsafe or inappropriate for use, and to notify the Township in writing within twenty-four hours of any hazardous conditions which exist.
- To agree to be responsible for the proper removal and disposal of all litter and debris from park property generated by our activity.
- To agree to not apply any herbicides, insecticides or other chemicals upon the lands, nor post any signs, without prior Township approval. All marking of fields shall be made with only paint approved for such purposes or athletic lime intended for such purposes. The configuration of fields must not be altered in any way.
- To agree that an issued permit takes precedence over a non-scheduled practice/game for the use of field. The Township, if the parties in conflict cannot resolve them, will settle all disputes on field usage.
- To agree that it is the sole responsibility of the team/organization to protect and insure the safety of all participants and spectators at any and all activities conducted on township owned property.
- To agree to not place any equipment, flags, poles or other items upon township owned property without prior written approval of the township; that any items improperly placed upon township owned property may be removed and discarded by the township.
- To install/maintain any equipment required for their activity in compliance with manufacturers standards and assume liability for such equipment as long as it remains on Township property.
