

Sustainable Managing

STORMWATER

On Your Property

East & West Rockhill Townships are hosting a **free** educational workshop for residents to learn about **Managing Rain Water on Your Property**

The Perkiomen Watershed Conservancy will present tips for reducing stormwater runoff. Rain gardens, bioswales and porous pavements are just some of the topics that will be covered. C. Robert Wynn Associates will provide a summary of the stormwater management program, and future requirements of the NPDES permit.

Wednesday, November 9 at 7 p.m.

West Rockhill Township meeting room
1028 Ridge Road
Sellersville, PA 18960

Refreshments will be served
